Helen and Will Webster Foundation
Menefee River Ranch Corporate Inc
The Tides Foundation

Although we've endeavored to make our list of donors complete, please excuse any oversights.

Thank you

Your generosity in funding this award and the students has allowed for me to have an amazing summer field course.

I am honored to receive this recognition for my work in the field and during my time here at UCSB.

I am profoundly appreciative of donors that contribute to the Department and the students.

I would like to express my immense gratitude for the generous donation to the department and the students.
